## ***Working together today for a brighter tomorrow***

### Mission:

To develop a community, which ***works together*** and is mutually supportive, a community which rejoices in the success and joys of its partners. Where every opportunity is seized and valued as a chance to learn. Where children are encouraged to dream and aspire to achieve their potential. To value our children as partners and nurture their skills for a ***brighter tomorrow***. To teach children the value of being productive, pro-active individuals, shaping their own futures.

Governors will: proactively support, but effectively challenge, school leaders in determining the direction that the school will progress and deliver outcomes.

Staff will: give children the opportunities to develop enquiry skills and lead their own learning, experiencing the world with awe and wonder. They will keep them safe and teach them to manage risks for themselves. They will put the interests of children at the fore of everything they do and foster their love of learning, independence and resilience to instil in them the desire to thrive.

Parents will: support their child with their learning journey and actively explore opportunities given to them as a partner in that journey.

Children will: engage with all learning opportunities with open eyes and ears. They will relish the opportunity to talk about their learning and experiences. Children will be equal partners in their learning and strive to be the best that they can be.

### Values:

Wood End will provide:

- A safe environment for pupils to explore and grow.
- the positive and stimulating climate for the inclusion of all pupils.
- individual challenge and support for self-improvement.
- opportunities to be aspirational and self-motivated learners.
