Dear parents / carers,

Thank you to parents who attended the E-Safety workshop. Keeping children safe online, is important to us all. We hope you found this workshop helpful.

It has been wonderful to see children at the clubs after school, including: sports, bug club (reading) and choir. We hope they will enjoy themselves as well as developing their skills.

We have started the year, setting high expectations of presentation. Please help your children by practising their handwriting, trying to improve both the neatness and speed. Encourage high standards in the presentation of their homework, making sure that dates and titles are underlined where appropriate.

Miss Sharma
